

ENTERPRISE MOBILITY GIVING

At Enterprise Mobility™, we're focused on strengthening our communities one neighborhood at a time. We do this by fostering a culture of employee giving and volunteerism as well as funding programs through global operating groups and the Enterprise Mobility Foundation that steward the environment, drive social progress and empower the places where we live and work.

PILLAR INITIATIVES

Since the beginning, Enterprise Mobility™ has strived to be an engaged corporate citizen that makes a meaningful difference in the communities where we live and work. The Enterprise Mobility Foundation oversees a variety of initiatives focused on creating positive impacts through long-term partnerships with nonprofit organizations.

ROAD Forward

Program Initiated: 2020 | \$55 million over 5 years
Partners: My Brother's Keeper Alliance, UNCF, Girls Inc., Parents as Teachers

The ROAD Forward initiative aims to focus on Respect, Opportunity, Achievement and Diversity (ROAD) by addressing social and racial equity gaps in three key areas—early childhood development, youth health & wellness and career & college preparation.

50 Million Tree Pledge*

Program Initiated: 2006 | Plant 50 million trees in 50 years
Partner: Arbor Day Foundation

The 50 Million Tree Pledge supports reforestation and ecosystem restoration in forests damaged by fires, storms and disease and helps expand and preserve habitats for endangered species in state and national forests. The initiative aims to plant 50 million trees by 2056 throughout North America and Europe.

Military and Veteran Support

Program Initiated: 2015 | \$12 million over 12 years
Partner: Fisher House Foundation

We work with the Fisher House Foundation to help provide no-cost housing for military and veteran families while a loved one is in the hospital as well as scholarships for children of service members who have died or become seriously disabled since Sept 11, 2001.

Routes and Roots* Healthy Rivers Project

Program Initiated: 2017 | \$60 million over 10 years
Partner: The Nature Conservancy (TNC)

Improving the health of rivers for communities, Routes and Roots supports TNC's efforts for protection, restoration and sustainable management of rivers and other freshwater ecosystems in North America, Europe and around the world.

Fill Your Tank*

Program Initiated: 2016 | \$115 million over 10 years
Partner: Feeding America, Food Banks Canada, The Global FoodBanking Network

The Fill Your Tank* program is an effort to combat food insecurity by supporting food banks and food programs, including feeding supplies and food distribution.

Urban Tree Initiative

Program Initiated: 2018 | \$6 million over 8 years
Partner: Arbor Day Foundation

The Urban Tree Initiative program supports urban forestry plantings in communities throughout North America and Europe impacted by natural disasters or that lack sufficient access to greenspace. Enterprise Mobility team members are also able to volunteer in the program's local tree planting events.

Disaster Relief Program

Program Initiated: 2015 | \$11 million over 11 years
Partner: American Red Cross

This investment supports the American Red Cross Annual Disaster Giving Program, helping ensure the Red Cross is ready to offer a safe place to sleep, a warm meal and emotional support during disasters big and small, including storms, wildfires, floods and other crises. In FY23, Enterprise Mobility distributed an additional \$1.7 million to support disaster relief efforts worldwide as communities grappled with unprecedented floods, wildfires and earthquakes.
